K-zoo Skate Zoo Skate Camp

The Skate-Zoo Skate-Camp is a skateboarding camp that will be held daily at the K-Zoo Skate-Zoo. The camp is designed to give skaters some basic instruction to help them get started in skateboarding. Campers will be the only people using the park.

C.J. Vaughan and another experienced skater, will coach the camp.

They will teach the basics of skateboarding, how the park works and best ways to use the different ramps in the park. Coaches will also be available for help if a camper wants to learn certain tricks or needs some one on one instruction. Camp is limited to the 25 skaters per session. Camp will be held everyday from 9am till 1pm. Campers need to have transportation to and from camp. Campers also need a sack lunch for each day of camp, except the last day, when we will have a camp contest and a pizza party. We look forward to working with your skater!!!

**Skateboarders at any Skill Level
